**ORDER**

**THIS MATTER** is before the Court on periodic status review on Defendants' Motion for Summary Judgment. [Doc. 32].

On June 19, 2019, Defendants filed a motion for summary judgment in this matter. [Doc. 32]. In support of this motion, Defendants filed a brief and various exhibits to their summary judgment motion. [Docs. 33, 34]. In the index to the exhibits, Defendants reference "surveillance video footage and color photos attached to Incident Report," which will "be mailed to WDNC clerk and mailed to unit where Plaintiff [is] currently confined by 24 June 2019." [Doc. 34 at 1]. The docket in this matter does not reflect that any video footage or photographs were ever mailed to the Clerk. If Defendants want this evidence considered by the Court in its adjudication of Defendants' summary judgment motion, Defendants must file it with the Court within ten (10) days of this Order. The video footage and photographs shall be submitted on a flash drive and/or a CD.

**IT IS, THEREFORE, ORDERED** that Defendants shall have ten (10) days from this Order in which to file the video footage and photographs in support of their summary judgment motion. If Defendants fail to file the footage and photographs in accordance with this Order, they

may not be considered by the Court in adjudicating Defendants' motion for summary judgment.

Signed: December 2, 2019
